## Doctoral Grants

RIDT, in collaboration with the Doctoral School, is offering grants to allow doctoral students to present their research overseas.

Funds for these grants are generated through the staff payroll scheme at the University of Malta.

## 700 Graduates Donate to RIDT

The University of Malta's Master's and PhD ceremonies came to a close on Thursday 14 March 2024. When ordering their gown online, more than **700 students** chose to give a donation to research at the University of Malta through RIDT. While congratulating all students for their achievements, we are particularly grateful towards those who chose to give something back.

To join these 700 students, you may [donate here](#). Thank you.

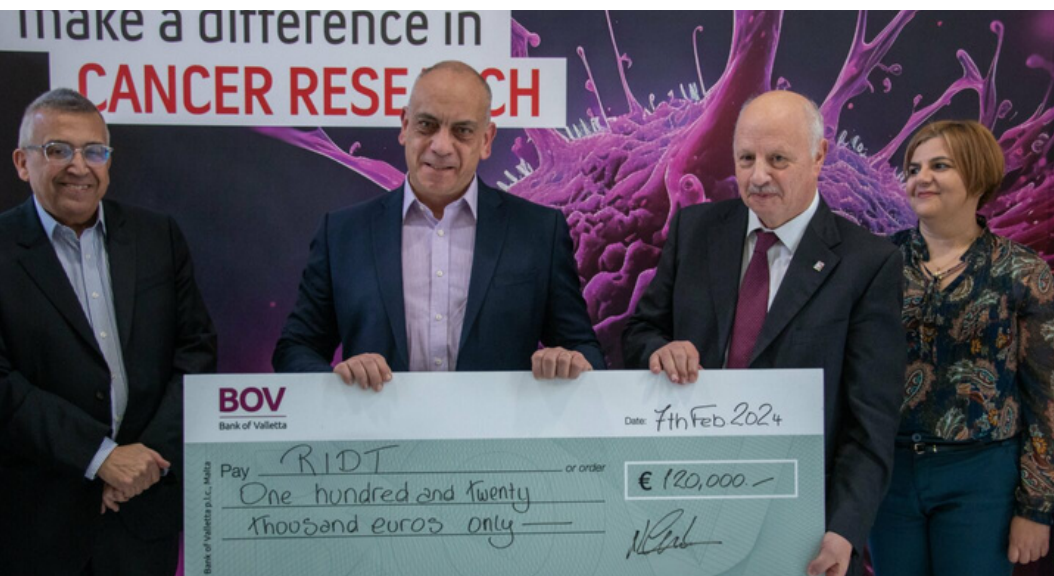

# Major Donations

## The HSBC Malta Foundation supports Three-Year UM Research Project through €150,000 donation

The HSBC Foundation's generous donation of €150,000 will pave the way for this research project led by Prof. Maria Attard. The "Sustainable Freight Transport" multi-year initiative will delve into various facets of the sector, including Malta's potential as a regional transshipment hub.
